

Joint Annual Meeting of Finnish Synchrotron Radiation User Organisation (FSRUO) and Finnish Structural Biology Network (FinnBoX)

4-5 December 2017, Turku, Finland

Venue: Quantum Auditorium, University of Turku

- ✓ **Public talks, poster session, networking**
- ✓ **Credit points for graduate students**

Invited talks:

- Prof. Serguei Molodtsov, European XFEL
- Dr. Harald Reichert, ESRF
- Prof. Derek Logan, MAX IV Laboratory
- Dr. Zoë Fisher, ESS
- Prof. Sarah Butcher, University of Helsinki
- Dr. Tommi Nyrönen, CSC - IT Center for Science
- Dr. Andreas Scherer, Institute for Molecular Medicine Finland
- Dr. Eero Itälä, University of Turku

Free registration by November 10th

Registration and preliminary program at **www.fsruo.fi**

Contact info: Sari Granroth (sari.granroth@utu.fi) or Tiina Salminen (tiina.salminen@abo.fi)

Organized by:

Finnish Synchrotron Radiation User Organisation (FSRUO) and Finnish Structural Biology Network (FinnBox) in collaboration with University of Turku, Åbo Akademi University, University of Helsinki, University of Oulu and Tampere University of Technology

Sponsored by:

Åbo Akademi University, Computational and Molecular Methodologies for Life Sciences Research Programme of BioCity Turku, Instruct-FI/Biocenter Finland, Department of Physics and Astronomy and Materials Research Laboratory of University of Turku, University of Helsinki
